

## Slipway: Terms & Conditions.

**No** parking, stopping or preparing of vehicle/craft in front of or opposite Slip on the highway.  
Do **not** cause any obstruction that may hinder other slip or highway users, emergency craft and services.

**Seek permission to launch** and be prepared to provide your details to Hayle Harbour Authority Ltd staff as to whether you possess an Annual Season Ticket, are a Mooring holder paying Harbour Dues or a Daily Slip User.

If the slipway is unmanned during working hours persons wishing to use the slip **must** call at the harbour office or call **07500993867**.

- (1). **No** vessel may be left on the slip. In the event of towing vehicle failure the harbour office should be informed immediately to arrange removal from slip of failed vehicle and boat/trailer.
- (2). Where vessels arrive for launching at the same time the one that is quicker to launch, usually the smaller, should be launched first.
- (3). Vessels being recovered should have priority over those being launched. This is to avoid milling about in the water at the bottom of the slip.
- (4). **No** vessel may be launched without first paying the prescribed fee and the vessel's owner declaring his/her vessel carries valid insurance.
- (5). In the event of emergency vessels on or approaching the slip will give way to rescue vessels needing to launch.
- (6). The slip may **not** be used to carry out engine tests, refuelling or oil change.
- (7). The slip may **not** be used for club gatherings or other meetings.
- (8). Slip users should familiarise themselves with safety and other information posted at the slip.
- (9). The slip may **not** be used by vessels and/or trailers with a combined weight greater than 4 Tonnes.
- (10). Trailers must be rubber wheeled; No skids, sleds or iron rimmed wheels may be used on the slip.
- (11). **Persons using the slip do so entirely at their own risk.** Damage to vessels or vehicles will also be at owners' risk.
- (12). Vehicles carrying boating or other equipment may not unload such equipment on the slip or obstruct access to the slip while doing so. Equipment, once unloaded, may **not** be placed so as to obstruct the slip.
- (13). Slip users **must** comply with instructions issued by to Hayle Harbour Authority Ltd officers, staff, and their agents under section 21 of the Hayle Harbour Act 1989.
- (14). Slip users are **not** to power onto trailer and are to use trailer winch **only** during recovery.
- (15) Persons using slip should have enough crew to be able to launch/recover and manhandle their craft.
- (16) Vessel Owners should take into account weather conditions and ability.
